

SUPPORT BEYOND WORDS

The National Stuttering Association exists to support people who stutter with local support groups, conferences, Youth Days, educational resources and more. The financial support needed to make this happen comes almost entirely from our members and contributors.

If what the NSA does is important to you, and especially if our programs have touched your life, we hope you will support the NSA by selecting one of the easy options on the other side of this card.

National Stuttering Association | 119 W. 40th Street, 14th Floor, New York, NY 10018
Phone: 800-WeStutter (800-937-8888) | www.WeStutter.org

Choose one of three ways you can help the NSA support the stuttering community.
